Public Art and Design

Major Commission Funding HANDBOOK

About the Grant

Major Commission Funding Grant recognises the role that outstanding public arts projects play in enhancing South Australia's reputation as a centre of arts excellence.

Assistance is available to develop and commission significant new public art works of quality and artistic merit by outstanding South Australian artists for presentation in high profile, publicly accessible locations throughout the state and can be sought for every stage of a project's development, including further concept and design development, implementation, fabrication, installation and documentation costs.

Applicants are required to provide full commissioning and project details and supply appropriate support material to substantiate the request. See Key Application Attachments for details.

A single grant of \$80,000 is available.

Further advice can be provided by Arts South Australia staff, and you are advised to contact them before preparing an application.

Applicant Eligibility

Applicants and artists receiving funding through this program must be Australian citizens or have permanent resident status and live, or be primarily located, in South Australia.

Applications are accepted from South Australian commissioners who may be, community groups, organisations (including South Australian Government funded arts and cultural organisations*) and Local and State Government agencies.

The private sector is eligible for financial assistance only when in partnership with an eligible applicant, but not directly. The private sector may obtain advice on the commissioning of works of art for public places.

It is a requirement of Major Commission funding that the applicant provide evidence of a commitment to fund a minimum of 50% (cash or in-kind) of the total project implementation budget.

Industry best practice will need to be demonstrated in the selection of participating artists. An open call is Arts South Australia's preferred method for the selection of artists. Where a limited call or direct selection process has been used, the rationale for this mode of selection must be strongly and clearly articulated in the application.

*Organisations funded through Arts South Australia (Major Organisations and Arts Organisations Program), Department for Industry and Skills and Department for Education and Child Development.
